

Original Airdate: March 24, 2021

Heavenly Father, I thank You.

Father, I thank You that I have the legal right to enter the Courts of Heaven. I ask, and do so with my advocate, Jesus Christ, My Lord, My Savior, My Mediator, and I confess all my sins. I repent of all my sins, of thought, word, deed, and action.

Father, I ask and come before Your Throne. I ask and request to speak to you and come before The Righteous Judge, The Judge of All. I ask You Father that this court now be in session and all the court be seated and all those, the officers and the witnesses be in attendance.

Repentance for Ancestral Sins

I repent for the sins of my forefathers of my bloodline, and my lineage and their sins. I repent and plead the blood over any oaths, witchcraft, shedding of innocent blood and any iniquities and transgressions committed by my Forefathers/Mothers. I ask you to forgive them. I repent for their iniquities and their transgressions. I stand in the gap as the representative of my bloodline and lineage and stand and repent for them.

Advocates in the Courts of Heaven

Jesus, my advocate, I call upon You to litigate my case in Grace and Truth. I call upon the Spirit of Counsel and the Spirit to bring witness and truth on my behalf. And I call upon You, The Blood.

I invite You, The Blood, and I give you the legal right to speak on my behalf in the Courts of Heaven. As you speak in Heaven, The Blood, I will speak the same on Earth. As you speak in Heaven, I will agree on Earth. As you speak your voice in Heaven and testify and witness on my behalf, You, Blood, say I have health, wealth, prosperity, joy, peace, strength and deliverance, abundance, protection, and redemption.

Applying the Blood

I plead and apply what you are speaking, The Blood in Heaven, I apply this to my life, to my lineage, to my bloodline, to my generations, to my forefathers, my children and my children's children, and I plead the blood.

Righteous Judge's Orders

I ask Righteous Judge that you release the High Ranking, innumerable, Angelic Officers in the Courts of Heaven and to enforce your issued restraining orders against the devil and place a hedge over me, my family, my possessions and belongings to release my orders of restitution, repayment and requital and blessings of the Lord that have been held back and reserved for me by you, The Blood in Heaven. In the Name of Jesus!

Protection by the Blood

And I thank You Father and I speak and I plead the Blood of Jesus over any sickness, disease, impotence, disability, malady, and calamity and over any attack of the enemy, over any assigned attack or anything that takes me away from what God has called me to do, meant to derail me from reaching my preordained destiny.

I plead and apply the Blood of Jesus over my conscience, my mind, eyes, ears, mouth, feet, hands, and my heart and I say to the Blood: Speak and I am coming into an agreement to what You say.

Agreement and Conclusion

I come into agreement, Righteous Judge, and I thank you that it is resolved in the Courts of Heaven. Thank You Holy Spirit for correcting me and for You, Blood, for thoroughly washing, cleansing, and purging me. I thank you, Blood, in Jesus' Mighty Matchless name.

I thank You for it now, I receive and proclaim it! So Be It! JESUS NAME Amen!
